COMPUTER REPAIRS...

Keynetz offers a wide range of on or off-site services to provide you with the assistance to get you up and running smoothly and efficiently. With both an onsite location and a fully equipped mobile service, we can offer an array of time saving diagnostics to quickly evaluate your situation.

Once an appointment is set, you can be assured that our technicians will arrive in a prompt and timely manner.

We also have a "no appointment needed" full service department where you can simply drop off your equipment for repair.
